

CAPABILITY STATEMENT

Executive Summary

Exodus Management and Consulting, LLC (Exodus) is a professional services provider located in Statesboro, Georgia that helps corporations, governments, and other organizations achieve long-term success. Founded in 2016, Exodus holds certifications as a Minority Business Enterprise (MBE), a Woman-Owned Small Business (WOSB), and a Service-Disabled Veteran-Owned Small Business (SDVOSB). Exodus specializes in business process management (BPM), a structured approach to optimizing end-to-end processes helping clients meet strategic objectives such as efficiency, profitability, and customer satisfaction. By leveraging BPM, Exodus can help your organization achieve long-term operational success.

- **Program Management**
- **Facility Support (Cleaning Operations)**

DIFFERENTIATORS

Our consulting services are designed to help businesses improve their overall performance.

Our approach is different because we look at the bigger picture. Instead of just addressing specific issues, we take a systems thinking approach to examine business processes as part of a larger system.

This enables us to develop structural solutions that can solve business challenges long term.
